

ESSENTIAL PACKING TIPS:

Joshua Generation 3 DAY Camp

Below is a list of items that you should bring along to the Camp. If there are any further queries please refer these to our Registrar.

There is a balance between bringing too many clothing items and not bringing enough. Please follow our equipment list carefully. Also keep in mind:

1. Everything you bring should be packed in ONE rucksack or duffel bag.
2. Please also bring a small backpack to use when we do outdoor activities and to carry your bible, notebook and pen in.
3. Pack any prescription medications and wallet in a ziplock bag with your name on it.
4. Leave your favourite clothes at home so they won't get dirty, muddy, torn, or damaged.
5. PLEASE PUT YOUR NAME ON EVERYTHING!
6. Please wear running or tennis shoes when you arrive at camp (not sandals or flip flops. Put these in your baggage).
7. Please wear clothes for the outdoors when you arrive at camp.
